

### Premiums

| Aircraft             | Pax | Liability       | Premium |
|----------------------|-----|-----------------|---------|
| <i>MTOW max 2,7T</i> |     | <i>Combined</i> |         |
| 500 to 999 kg        | 1   | 3 000 000 €     | 650 €   |
| 500 to 999 kg        | 3   | 3 000 000 €     | 850 €   |
| > 1.000 kg           | 3   | 5 000 000 €     | 1 050 € |
| > 1.000 kg           | 4   | 5 500 000 €     | 1 250 € |
| > 1.000 kg           | 5   | 6 000 000 €     | 1 450 € |

| Aircraft       | Casco                     | Premium rate          |
|----------------|---------------------------|-----------------------|
| <i>Value</i>   | <i>Minimum Deductible</i> | <i>% of the value</i> |
| < 30 000 €     | € 1 250                   | 2,3 to 2,8%           |
| < 60 000 €     | € 1 250                   | 1,8 to 2,8%           |
| < 90 000 €     | € 1 250                   | 1,6 to 2,3%           |
| < 125 000 €    | € 1 250                   | 1,3 à 2,2%            |
| From 125 000 € | 1% of the value           | 1,2 à 2,1%            |
| < 180 000 €    | 1% of the value           | 1,1 à 2%              |
| < 200 000 €    | 1% of the value           | 1 à 1,8%              |

Optional deductible : € 2.500 or € 5.000. Discount 2,5% and 5% on casco premium

**Taxes : 10% Liabilities / Nil Hull if the aircraft is registered in Greece.**

### Advantages

- Reversal of 10% of the premium (RC and Hull) by the absence of a claim paid at the end of the annuity.
- Instructor will automatically insure on the aircraft owner.

### Aggravating factors or discount

- Experience of the pilot (total flight hours, flight hours on type)
- Qualifications of pilots (IFR, FIFE, MEP, Mountain)
- Hangar
- Use (acrobatics excluded)
- Number of pilots qualified to fly the aircraft (max 4 riders)

### Geographical limits:

Europe (excluding Kosovo and Bosnia), the Mediterranean basin countries (except Algeria, Israel, Palestinian Territories, Lebanon and Syria). Are excluded countries subject to sanctions by the UN or EU.
