AOPA HELLAS

REGISTRATION FORM

Instructions

- Fill out the form fields including aircraft registration (this should be used, also, as reference for your payment)
- Note: As there is no AVGAS available at the airport, AOPA Hellas is working with a company that provides certified fuel. Currently, we are estimating the total quantity needed by participants. Once we have this information, we will submit it to the company, which will make the necessary arrangements for fuel and personnel. Participants interested in purchasing fuel will receive a separate email with details in due course. If there is insufficient interest, we will inform participants well in advance.
- After filling the fields, press "Save as PDF". You may, also, print for your records,
- Send SAVED form by attaching it to email: office@aopa.gr
